October 2020

ACME

The quiescence on the campus brought on by the raging viral spread was broken with the fact of VVIT topping in the terminal University examination in the District. The aspiration of every Engineering College, to stand out with academic performance, in a backdrop of competition and struggle, came as a welcome recompense with cent percent graduation and Academic Performance Index. ♦

## Outreach with Recognition

VVIT is now recognized for its Social Entrepreneurship Hygiene and Cleanliness & Rural Engagement Cell. The Institution made an action plan and formed ten working groups for amelioration of facilities on the campus and in the adopted villages. After the pandemic dies down, the Cell will set forwards its plan of action in such areas as sanitation and hygiene, Waste Management and Water Management, Energy Conservation and Greenery. It will also educate students, faculty and community in like areas. ♦

## Remembering Teachers' Time

One's life is one's time. Teachers spent their time guiding and leading others to earn a living. NSS, on the fifth of the month brought this fact to everybody's remembrance. Mr Rahul, Programme Officer of VIT NSS and a faculty member went back to the origin of the day by dis-

playing a pencil sketch of Dr Radhakrishna ♦

## Engineers' Day

15<sup>th</sup> September is engineers' day. VVIT, an Institution for engineers, remembered the birthday of Sri Visveswaraya, the renowned engineer of India. The flood protection system he engineered for Hyderabad in

the early part of the last century earned him celebrity status. ♦

## Tech Talk

Talks on engineering topics were kept up. *Time Management* by Ms Babitha, *History of Automobile Industry in India*, Mr Babeesh, *Nana Electronics* Ms Atulya, *Hardware and software of 5G*, Ms Krishnapriya, *AI, ML, DL* Ms Shibi, were informative. A talk on *Minor in Engineering* was also presented for students by Dr Jaget Babu. ♦

## Concrete Day

The formation day of Indian Concrete Institute, September 7, is celebrated as 'Concrete Day' all over

India. The Department of Civil Engineering too celebrated this day with a live quiz programme for CE students organized by senior CE students. ♦

## Placement

The online recruitment process was carried over into this month when Hafeex Muhammad earned opportunity to work for 'Skylight Builders' ♦

## Service to Society

A purpose of VVIT of reaching out to society was realized when VIT Covid Cell Unit made a 'Mobile UV Chamber' and presented it to Medical College Calicut. Articles can be disinfected with this device. ♦

## Scholastic Achievement at Graduation

CSE graduation is studded with six toppers: Ranjusha P, 8.8 CGPA, Akshaya P, 8.38 CGPA, Anjali K, 8.62 CGPA, Athulya P.D, 8.10 CGPA, Arya M, 7.74 CGPA, Anaswara, 8.94 CGPA. Ranjusha earned outstanding 'O' grade in all the courses of final semester examination. CE graduation shined with Burhana, Sumayya and Fahma earning more than 8 CGPA. ECE Programme has to its credit cent percent pass. Vandana and Sheeba of EEE programme also earned outstanding 'O' grade in all courses of the final examination. Despite the massive disruption of life from the pandemic, the human will can work marvelously. ♦ ♦
